Faxton St. Luke's Volunteer Association Membership

Faxton St. Luke's Healthcare

Our Mission

The Volunteer Association's mission is to provide Faxton St. Luke's Healthcare (FSLH) with the finest volunteer services possible by:

- Caring for our patients, residents and their families in a thoughtful, confidential and comforting manner.
- Educating and instituting new ideas to meet the needs of the FSLH system and the community through our outreach programs.
- Fulfilling the needs of our membership in a pleasant and challenging environment.
- Maintaining activities and services to ensure an annual financial contribution to FSLH.

- Collaborating with FSLH management and the governing board to ensure that our community has access to the best possible healthcare.

Faxton St. Luke's Volunteer Association is a non-profit organization dedicated to serving both the Faxton and St. Luke's Campuses. Volunteers are men and women of all ages who enrich their own lives by helping others.

Membership

The Volunteer Association welcomes all volunteers who are 14 years of age or older to participate. Those beginning their "second career" after retirement are especially encouraged to participate. No special skills are necessary, and active volunteers are asked to donate an average of four hours of service weekly.

The Volunteer Association donates thousands of dollars annually to FSLH through special events and fundraising efforts.

Annual membership dues are:

Active Dues: \$5

Active volunteers receive first year membership free.

Associate Dues: \$10

Members who do not volunteer but are willing to contribute financially to the Volunteer Association.

Volunteer Opportunities

Volunteers lend their time and talents to many areas throughout the FSLH system, and you will have your choice of flexible volunteer shifts. We do our best to work around your schedule. Areas where you may volunteer include:
