Tree of Life at Faxton Campus

The Faxton St. Luke's Volunteer Association's Beautification Project provides the opportunity to recognize a family member or friend, or provide a living memorial to a loved one. This is a wonderful way to provide permanent recognition of someone you care about.

Our goal is to enhance both the interior and exterior of Faxton St. Luke's Healthcare by providing plants, shrubs and trees.

Thank you for your support of our Beautification Project. If you have questions, please contact the Volunteer Services Department at (315) 624-6142.

The Faxton St. Luke's Volunteer Association actively seeks to improve the care patients and their families receive at Faxton St. Luke's Healthcare.
